

Extraordinary Education for the price of Ordinary Child Care

Bottle Policy

Infants shall be removed from their cribs and held for all bottle feedings.

A written statement specifying the formula, breast milk or other liquids and the feeding schedule for infants shall be obtained from the parent(s).

Unused portions of formula, breast milk or other liquids shall be discarded after each feeding.

Clean bottles shall be provided by the parent(s). Bottles must be labeled with child's FULL first name.

Bottles cannot be refilled. Parents must provide enough clean bottles for each day.
