John and Susan Leavitt are dedicated to providing a safe, nurturing environment that encourages children to learn through play and discovery. They believe strongly in the importance of the arts during early childhood.

John comes to PSA from positions in small and large corporations where he has worked in management and as a meteorologist.

Susan's background is in piano and choral performance and music education. She has been teaching children of all ages for 50 years, most recently concentrating on music for young children.
