

Extraordinary Education for the price of Ordinary Child Care

PROFESSIONAL DEVELOPMENT PLAN

Each academic year all staff members are required to participate in the following trainings provided at monthly staff meetings:

- Mandated reporting (DCF)
- Annual Review of policies and procedures of Preschool of the Arts, Inc.
- Epi-pen training
- Various other educational topics presented may include but are not limited to: handwriting without tears, help with early literacy, portfolio development, behavior management for difficult children, developmentally appropriate activities for the preschooler, infant/toddler specific training etc.

As needed the following training is made available for staff either in house or at other facilities

- CPR/First Aid training as required by State of Connecticut Licensing
- Medication Training
- Diabetic Training as needed
- Epi-Pen
